On January 23, 1986, Jones Senior Basketball team played in a publicity game against the disc jockeys from radio station WBMX, 102.7 FM. The game was sponsored by the Public Relations Club, and featured the best basketball players of the senior class. The game was close, but with the fans pulling for the home team, the seniors won. The final score was: JONES 32 - WBMX 29. Jerry Warren scored what turned out to be the winning points on two free throws with 25 seconds left in the game. JEAN MARIE AUDEL RECEIVES OUTSTANDING JONESITE AWARD

On December 5, 1985, one of Jones' former graduates, and a current best seller author, Mrs. Jean Marie Auel, was honored during a special reception at the Cultural Center. The reception was being held to gain publicity for her latest books entitled *The Mammoth Hunters*. It is the third in a six part series entitled *Earth's Children*, which deals with the possible life lead by the Neandrathal Man. As an author, Mrs. Auel has found success through her individualized form of writing. Most writers will try to make their fictional stories appealing by adding details that make the story come to life, although those details do not have to be factual. In Mrs. Auel's writings, she gives prominence to the facts she has researched, and uses the fiction to help present such facts in an appealing way.

Jean Auel shows off 1954 yearbook.

The reception held on December the 5th was sponsored by the Chicago Public Library. It was part of a program entitled "Conversations with Chicago Authors", in which the public gets to engage in informal dialogue with famous literature writers from Chicago. Representing Jones at the reception were Horace Henderson, and Maria Nyholm; from the Public Relation Club, and Kelly Malone; from the Writers Club. They presented Mrs. Auel with the outstanding Jonesite award, an award presented to former students of Jones for their contributions to the world after graduation. Mrs. Auel also received memoirs from her history at Jones, including yearbooks for 1953 and 1954, newspaper clips from the Jones Reporter, and a photograph of her old residents where she lived while attending Jones. Jones is proud of Mrs. Auel, and wishes her continued success in the literary world.

Horace and Kelly present Mrs. Auel with an outstanding Jonesite award.

ANNUAL BLOOD DRIVE

On November 18 and 19, 1985, Jones held its Annual Blood Drive. Many students were anxious to donate blood to the American Red Cross. The Red Cross staff consisted of sensitive and precise professionals which made the Jones' donars feel worthy of their deeds.

B. Miller-OOooh — WEE!!!

D. Stolar-It's worth it, really worth it.

M. Rivera-I'm just another heroine.

M. Casiano — Hey! Lady, if this hurt I'm running out of here!!!

T. Murray - "I just want to help someone."

D. Marshall — Hey! Come on! Try it!

Believe In Yourself

If you'll remember always,
 There's no goal you can't achieve.
 If you'll try your very hardest,
 And above all else, believe.
 Believe that you're a person
 Who has something good to give.
 Believe that you can make this world
 A better place to live.
 If you'll believe your talents
 And your skills are needed, too.
 Then you're sure to find,
 There's nothing in the world you can not do!

Every year teachers at Jones are given one day of special recognition for their hard work and dedication in helping their students to become successful. The Jones Public Relations Staff continued this tradition on March the 4th in celebration of National Teachers' Day. The theme for this year's event was, "You Make Our Lives BEARable," and one could not think of a more appropriate gift than the miniature care bears given each teacher.

Mr. Macala and Mr. Ondyak were also presented with bearable hugs.

Mr. Aprill and Mr. Loving both agree that they feel special on this day.

THEY MAKE LIFE BEARABLE

YOU MAKE LIFE BEARABLE

You make life bearable
In each and every way
You shine as the lone star in our
hearts
That brighten up our day.
Life would have a meaning
But never proven true
Without the guidance and foresight
We seem to find in you.
When our days come to pass
And memories are all but gone,
How bearable you made our lives
Shall ever linger on.

MAYOR WASHINGTON

On March 4, Jones had the unique privilege of hosting the honorable Mayor Harold Washington in a citizenship assembly. The program coincided with the 150th Birthday of the City as well as National Teacher's Day. After a brief speech encouraging the students to become involved with decisions being made by others in their lives, he was presented with various gifts of appreciation and a list of student needs. Thanks go to Mrs. Billingsley, Mr. Hencinski, and Mr. Parker for making it all happen.

CPS ELECTRONIC TYPEWRITING CONTESTS

On March 17, Jones had the privilege of hosting the CPS Electronic Typewriting Contests. The contest, sponsored by the Board of Education and Silver Reed, placed the top typist from public and parochial schools in a speed and accuracy competition to determine the fastest typist in the city. Marisol Rodriguez represented Jones and did an excellent job in living up to our criteria of excellence. Out of the 54 schools competing, Marisol Rodriguez came in 8th place.

Every year Jones holds its two annual Afro-American History Assemblies in honor of Black History Month. This year's assembly programs featured a total of four guest speakers, (pictured to the right). Mrs. Ora Higgins and our own Mrs. Jarvis received Brotherhood-Sisterhood Awards for their hard work and dedication in helping minority students at Jones. Also featured were the Gospel Chorus and dramatic presentations by Dionne Carrey and Arthur Richmond dealing with the life and struggles of the "black man" in America. The entire program stressed the importance of the past achievements of the Afro-American race and looked forward to its immediate future.

ANNUAL VOTER REGISTRATION PARADE

On May 20, 1986, approximately 125 students participated in the voter's registration parade. The students also had the good fortune of witnessing the "Hands Across America" as they marched to City Hall. Upon their arrival they were greeted by such dignitaries as Mayor Harold Washington, Roland Burris of the State Comptroller's Office, Alderman Percy Giles, Mrs. California-Diane Swan Fortier, Commissioner Jesse Madison, Secretary Alton Miller, Attorney Thomas N. Todd, Deputy Ad-

ministrator Mike Schroeder and Rheanetta Hunt formerly of the State Treasurer's office. The Jonesites were also able to gain much insight into political affairs as they received a tour of City Hall and had their many questions answered. The entire parade and tour was a huge success due to the fine efforts of Mrs. Billingsley, Teacher Sponsor and Mr. Hencinski and Miss Macklin, Chaperones.

ANNUAL EMPLOYER'S BREAKFAST

Many employers are very helpful in getting jobs for Jones' seniors each year. The students are very appreciative of this. To show how grateful they are each year the seniors plan a fantastic breakfast to say we are "thankful" to you, our employers. This grand occasion that was held at the Conrad Hilton on May 9, 1986, was exceptionally amazing this year due to the selection of Mr. and Miss Business. Yes, "thank you" for the opportunity to get on the job training.

Horace Henderson - one of the M.C.'s. He is also class valedictorian and 1st runner-up to Mr. Business.

There's a time for work and a time for fun. In both of these we've proved to be number one.

WE ARE THE FUTURE

Prepare to lead instead of follow.
Life is our lesson and time is our teacher.

Apply what you have learned
And learn what to apply.
No one can stop you from
achieving but yourself.

This is the beginning of our new
beginning.

The value of your life isn't what
you've done

But what you plan to do.

Death is a land for people

Who are ready for the next stage
of life

Not for those who can't complete
the first phase.

Walk with your head held high but
notice what

Passes below you.

Your style isn't in your clothes,
It's in your smile.

In order to know where you are
going,

You must know where you are
coming from.

You learn in school,

You experience in life.

IF ONLY FOR ONE NIGHT

On Friday, May 23, 1986, Jones held its Prom at the Hyatt Regency. "If Only For One Night" the young men and women were stars. Truly everyone was superbly dressed. There were fashions straight from "Hollywood." The music kept everyone floating to its rhythm. The food was fantastic. It really was one of the best proms that Jones' students ever held. It was a night to remember forever.

How does it feel to be a King or a Queen? Perhaps that was the question in many minds as everyone waited anxiously for the announcement of the 1986 Prom King, Queen and runner-ups. The shrills of joy rang out loud as Arnie Graves was chosen King and Elisesa Golliday was chosen Queen.

THE FINAL FAREWELL

Graduation Day

Graduation, the best and worst day of our lives. It is the start of our new beginnings; And the end of the lives we have all grown use to. On this day we will reach one of our highest goals, And we'll be forced to leave some memories behind. We will shed some tears and laugh at things from the past. But when the day is over and we all go home, We'll awaken the next day ready to conquer the world.
